Dear Friends,

Welcome to the Eastern Shore Maryland Farm & Farmers
Market Guide!

This booklet was created to help you easily explore the abundance of local farms and markets across Maryland's Eastern Shore — from Wicomico and Worcester to Talbot, Somerset, and beyond. Inside, you'll find seasonal schedules, locations, and information on markets that proudly accept SNAP, FMNP, and other food access benefits.

Our goal is simple: to make it easier for every resident and visitor to enjoy fresh, local food while supporting the hardworking farmers who grow it. Whether you're looking for a weekend market to pick up your favorite produce, a family-friendly community event, or a farm stand that honors your EBT card, this guide puts all the details right at your fingertips.

The Eastern Shore has long been known for its fertile soil, vibrant farming traditions, and sense of community. By shopping local, you're helping preserve that heritage — strengthening local economies, reducing food insecurity, and investing in a healthier, more connected Maryland.

We invite you to use this guide throughout the year, share it with your neighbors, and join us in celebrating the people and places that keep Maryland growing strong.

With appreciation and purpose,
Local Fresh Force,
Supporting Real Food, Real People, Real Power
